Banyan tree sessions return in 2014

Join us for these interactive sessions and take advantage of a unique opportunity to engage in one-on-one discussions with colleagues and faculty in a non-structured, relaxed setting. Beer and wine will be available.

Call for abstracts

Deadline: September 1

Be a part of the meeting!

Submit an abstract for Tuesday's poster session and get immediate feedback from colleagues and faculty on your research and ideas. Abstracts must be within the educational scope of the meeting; they will be reviewed by the program committee and selected based on clinical relevance.

For more information or to submit an abstract, visit OTHawaii.com/abstracts or contact Carolyn Lake at 856-848-1000, ext. 239 or clake@associationandmeetingsolutions.com.

New topics.

More cases.

Head-to-head debates.

Don't miss a minute of the action.

This meeting provides the perfect combination of education, networking and reenergizing for orthopedists. In a relaxed setting, faculty and attendees will discuss cases, therapy techniques and surgical strategies while exploring how to apply new treatment modalities to your own patients. You'll return from Hawaii equipped with cutting-edge information that can take your practice to the next level.

Discover the ORTHOPEDICS TODAY Hawaii meeting experience for yourself:

Approachable faculty. Presenters are eager to share and then assist with questions or comments.

Relevant topics. Receive specialized education in sports medicine, overall shoulder total joint replacement and trauma surrounding the knee, hip, shoulder, elbow and spine.

Engaging format. Banyan Tree sessions extend your learning beyond the meeting room with casual discussions. Plus, watch our renowned faculty debate head-to-head about the issues you care about most.

Valuable CME. Stay current in your field as you earn valuable *AMA PRA Category 1 Credits*™.

Relaxed atmosphere. Experience the beautiful Hawaiian island of Maui — the laid-back atmosphere is perfect for networking with peers.
