There's more to explore online!

See for yourself what makes ORTHOPEDICS TODAY Hawaii unique at OTHawaii.com. The meeting website is updated frequently to reflect the most current information

available. You can meet the faculty, view the agenda when it's available, register online and access video, presentations and editorial coverage from this year's meeting.

Dear Colleague,

Course Director
Douglas W. Jackson, MD
Long Beach, California

You're invited to attend ORTHOPEDICS TODAY Hawaii, an annual meeting that has consistently proven to be a valuable educational resource for orthopedists. Please join me, our renowned faculty and more than 450 of your colleagues at the Grand Wailea in Maui from January 19-23, 2014.

This meeting is known for providing important updates to keep your expertise current as well as cutting-edge innovations to enhance your skills and take your performance to the next level. You're encouraged to attend every session of every day; therefore, all sessions are included with your single registration fee. Register by September 30 and pay only US \$795 for 5 full days of CME education.

Here's what you can expect from this meeting:

- **Comprehensive education** covering topics in sports medicine; shoulder, total knee and hip replacement and revision; trauma surrounding the knee, hip, shoulder and elbow; and practice management.
- **Expert perspective** from a world-renowned faculty of nearly 30 specialists who will provide the updates you need with the insight that will make the difference in how you implement new advances on your patients at home.
- **Interactive format** offering the opportunity to exchange experiences, ideas and research with faculty and colleagues during audience response sessions, debates, roundtables and Banyan Tree sessions.
- **Unique banyan tree sessions** extend your learning experience beyond the meeting room. Engage in one-on-one discussions with colleagues and faculty in a non-structured and relaxed setting while light snacks and drinks are served.
- **Casual environment** creating time for learning, networking and reenergizing on the sunny and beautiful island of Maui.

Don't miss out on the action in Hawaii. Discover for yourself why this meeting continues to grow and is one of the most dynamic experiences in orthopedics. Plus, register by September 30 and save US \$200.

I look forward to seeing you in Hawaii.

Mahalo,

Douglas W. Jackson, MD
